

CHILD SAFETY CODE OF CONDUCT

Walwa Primary School is committed to the safety and wellbeing of children and young people. Our school community recognises the importance of, and a responsibility for, ensuring our school is a safe, supportive and enriching environment which respects and fosters the dignity and self-esteem of children and young people, and enables them to thrive in their learning and development.

This Code of Conduct aims to protect children and reduce any opportunities for child abuse or harm to occur. It also assists in understanding how to avoid or better manage risky behaviours and situations. It is intended to complement child protection legislation, Department policy, school policies and procedures and professional standards, codes or ethics as these apply to staff and other personnel.

The Principal and school leaders (unit leaders, wellbeing staff) of Walwa Primary School will support implementation and monitoring of the Code of Conduct, and will plan, implement and monitor arrangements to provide inclusive, safe and orderly schools and other learning environments. The Principal and school leaders of Walwa Primary School will also provide information and support to enable the Code of Conduct to operate effectively.

SPAG: <http://www.education.vic.gov.au/school/principals/spag/safety/pages/photoandfilm.aspx> . The policy says the school should get consent before taking and publishing photos of a student. This applies every time a photo is taken. The same policy applies for excursions and school activities.

SPAG: <http://www.education.vic.gov.au/school/principals/spag/safety/pages/alcohol.aspx>. The policy says the school must obtain school council approval before alcohol can be consumed on school grounds or at a school activity. The policy says staff members should not consume alcohol during camps and excursions. It is silent on whether they can consume alcohol at other school events where students are present, this is a matter that the school needs to decide upon – draft text is provided in the guidance fact sheet
